RED- Kasasa Cash Cycle Ends

GREEN - Kasasa Cash Cycle Starts.

"Monthly Qualification Cycle" means a period beginning one (1) banking day prior to the first day of the current statement cycle through one (1) banking day prior to the last banking day of the current statement cycle. All requirements must post and settle your account during the monthly qualification cycle to be considered a qualifying account and receive the preferred rate for that month. They may not be in a pending state to qualify as one of the transactions. Transactions may take one or more business days from the transaction date to post to an account from the date the transaction is made.
